

VCSi Replacement Program

VCSi'S INCREASED CAPACITY ALLOWS US TO PROVIDE SERVICES NO OTHER VENDOR CAN PROVIDE.

VCSi provides a 5 year guarantee on workability. If your dog should become unworkable within the first 5 years, VCSi will replace the dog **free of charge**.

If for any reason the dog develops an illness or disease within the first 5 years that disables the dog, VCSi will also replace the dog, **free of charge**.

IF YOU'RE NOT SATISFIED WITH YOUR DOG, THEN NEITHER ARE WE. WE TAKE PRIDE IN OUR WORK AND DO ALL THAT WE CAN TO SELECT THE RIGHT DOG THE FIRST TIME.

VCSi Offered Services (LEP*)

- Site and needs assessment
- Initial program start-up assistance, to include fundraising assistance
- Canine Department Policy development assistance and review
- Dog and handler selection assistance (VCSi selects a dog that fits your needs and the needs of the community)
- Equipment selection and inspection
- Veterinarian selection and assistance
- Familiarization/expectation training for the administrators, and non-handler officers (in house)
- Initial Basic Handlers Course to meet state standard (taught by certified instructors). This training will be conducted on site at your facility, to reduce costs for life support and housing of your handlers/staff
- 8-16 hours of monthly maintenance training provided on site at your location
- Yearly required evaluation by a certified evaluator
- 24 hour, 7 day a week support and consulting services available. If you need us, call us
- Assistance with records keeping and report writing
Yearly liability and case law review courses
- Advanced courses; i.e. S.W.A.T., Explosives Detection/I.E.D. Secondary Device Courses available upon request
- Ongoing basic, intermediate and advanced courses offered throughout the state
- Expert witness services (K9) upon request
- The industry's Best Replacement Program-Guarantee
- Any of our services can be ordered individually

WE HAVE DEVELOPED A PROGRAM THAT IS INNOVATIVE AND MORE COST EFFECTIVE THAN ANY OTHER IN OUR INDUSTRY. OUR PROGRAM IS ONE THAT CAN BE TAILORED TO EACH DEPARTMENT'S SPECIFIC NEEDS.
